

EUROTUBI

CORONAVIRUS EMERGENCY – COVID 19 DRIVERS' RULES

Drivers must wear mask and gloves during the permanence in Eurotubi and stay at least 1 meter of distance from everyone

Drivers must stay always inside the truck cab. If drivers have to cooperate for working requirements with Eurotubi workers during loading and unloading activity, they must wear mask and gloves and always stay at least 1 meter from everyone

Drivers must use their exclusive toilette. Toilette is daily sanitized. Responsible will indicate drivers the right toilette.

Drivers can use the automatic food and beverage machine placed inside production area. Ask to responsible.

Before go to the machine, make sure there's no other people who're using it.

Before use the pushbutton panel to select the food or beverage you want, **hygenize your hands and the button panel with alcohol** placed near the machine and **hygenize again the hands.**
